Farmingville, NY – On April 10, Brookhaven Town Supervisor Ed Romaine (left) attended the Eagle Court of Honor ceremony for Troop 64 of Coram. The following scouts (pictured left to right) earned the rank of Eagle Scout: John Hernandez, Jonathan Lazan, George DeLucia, Kyle Trestka and Gilbert Burgos. To become an Eagle Scout, a scout must first work his way through all Boy Scout ranks while completing certain requirements such as earning Merit Badges, holding a leadership position within the troop and completing a community service project.

John's project was to install a 100-foot flower bed at the St. James Fire Department substation that is part of the 9/11 Memorial at the firehouse.

Jonathon's project was the beautification of a garden in front of Hope Lutheran Church in Selden. This included removing bushes and many weeds from the area, relocating the anchor, repairing the cross and installing benches next to the pond.

George's project was a portable information kiosk for the Longwood Estate in East Yaphank. The kiosk is designed to give the reader a general idea about the history of the house and what life was like in the past.

Kyle's project was building six bird rehabilitation boxes for Sweet Briar Nature Preserve in St. James.

Gilbert's project consisted of cleaning up the basement, replacing damaged ceiling tiles, light covers, installing a projector in the basement of Trinity United Methodist Church in Coram.
